¹ Regardless of the number of judges indicated in one complaint, the Independent Inspector prepares one conclusion on the basis of one disciplinary complaint and assesses therein the actions of each judge individually. Afterwards, the prepared conclusion is presented to the High Council of Justice of Georgia. The High Council of Justice of Georgia discusses the materials and issues separate decision against each judge. Therefore, the number of the conclusions presented to the High Council of Justice of Georgia and the number of decisions made by the High Council of Justice of Georgia may differ.
